GSI and GSSA Hourly Rates

The 2024-2025 contractual “hourly equivalent” pay rate for GSIs and GSSAs on the Ann Arbor Campus is **\$39.71 per hour**.

These rates apply to GSIs and GSSAs, who are assigned as temporary replacement coverage for an absent employee as described in [the UM/GEO Collective Bargaining Agreement](#) (“CBA”) at Article X, Salaries and for training time as described in Article XIX, Employee Training.

Full-time Rate and Effort Levels for GSIs and GSSAs - Ann Arbor Campus

The following table illustrates the implications of the full-time rate at various levels of effort. It provides information about other important features of the UM|GEO CBA Article X, Salaries. It is also available on the [Academic Human Resources website](#). This rate schedule is for use in processing rate changes for GSIs and GSSAs at various fractions of effort.

The "Average Weekly Work Expectation" is derived from Article X of the GEO contract and is used in the Fraction Calculation form (available at: <https://hr.umich.edu/sites/default/files/gsi-gssa-fraction-calculation-051820.pdf>.)

“Standard Hours” is a term used in the UHR appointment system to produce a pay rate consistent with GEO contract standards. It is not derived from the UM|GEO Collective Bargaining Agreement.

GSIs/GSSAs will be paid for the first four days of the term (August 26-31) in the paycheck dated August 31, 2024. As a result, the Monthly Comprate for the Fall term is prorated to account for the payment made in August. The Term Rate represents the actual dollar amount the GEO will be paid per term.
