

Example – Change to Title

THE UNIVERSITY OF MICHIGAN
REGENTS COMMUNICATION

ACTION REQUEST: Change to Title

NAME: John A. Doe

CURRENT TITLE: Associate Professor of Natural Resources, with tenure,
School for Environment and Sustainability

RECOMMENDED TITLE: Associate Professor of Sustainable Systems, with tenure,
School for Environment and Sustainability

EFFECTIVE DATE: August 26, 2024

I am pleased to recommend a change in title for John A. Doe from associate professor of natural resources, with tenure, to associate professor of sustainable systems, with tenure, School for Environment and Sustainability, effective August 26, 2024.

Since completing his education and training, Professor Doe has been a research fellow in the School for Environment and Sustainability and in the University of Michigan Transportation Research Institute (1989-1993). He is also a co-founder and manager of the National Pollution Prevention Center for Higher Education (1991-1999), assistant research scientist (1992-1998), associate research scientist, Institute for Environmental Science and Engineering Technology (1998-2001), associate research scientist (1998-present), and co-director at the Center for Sustainable Systems, School for Environment and Sustainability (1999-present).

We are pleased recommend the change in title for John A. Doe from associate professor of natural resources, to associate professor of sustainable systems, with tenure, School for Environment and Sustainability, effective August 26, 2024.
